

FIND YOUR COLOR. HELP ANOTHER.

Help Us Raise \$50,000!

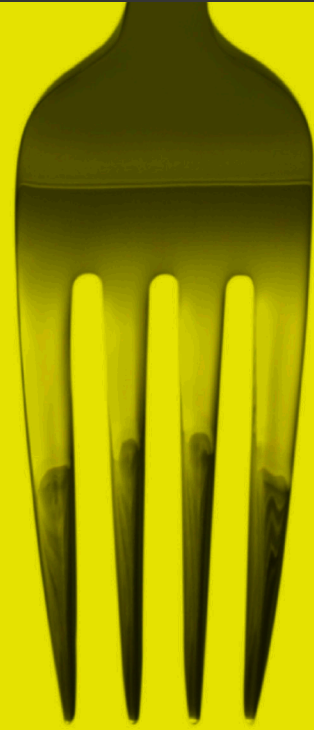

Meals on Wheels Association of America has teamed up with Dupli-Color® to help end senior hunger. And like you, everyone that owns a vehicle can help! To donate a \$1, they simply need to enter their vehicle's color code, which usually located in the door jam or under-the-hood. It's that easy!

Dupli-Color® will donate \$1 to MOWAA for every Vehicle Paint Color Code entered at facebook.com/DupliColor or FindYourColorHelpAnother.com.

Scratch Fix 2in1

The **ONLY** paint to be manufacturer-certified as a PERFECT Match. Scratch Fix 2in1 paint will match "perfectly" to the original color from the manufacturer.

Dupli-Color®

More Opportunities to Help

In addition to the \$1 donation for every Vehicle Paint Color Code entered, Dupli-Color® will also donate another \$1 to MOWAA every time a registered consumer purchases Scratch Fix 2in1™ Premium Touch-Up Paint after entering their Vehicle Paint Color Code.
